

LADY MARGARET MACLELLAN AWARD 2018

BACKGROUND

In April 1985 a sum of money was made available by Sir Robin MacLellan to provide a monetary prize (with a suitably inscribed memento) to be awarded biennially for outstanding contributions to medical science in Scotland. The Medical Schools and Royal Colleges in Scotland would be invited to submit nominations. Members of Tenovus Scotland's National Committee are ineligible.

TOPIC

We have pleasure in advising that the 17th Lady Margaret MacLellan Award will be made to the individual, or group of individuals, who are actively engaged in medical research in Scotland and have contributed most in the field of '**Precision medicine**' research within Scotland in recent years.

AWARD

The sum of **£3000** and a suitable memento will be awarded.

CLOSING DATE

We are pleased to invite nominations for submission by **Friday 7 December 2018**.

SUBMISSIONS

Submissions should be marked 'LADY MARGARET MACLELLAN AWARD 2018' and an electronic copy sent to general.secy@tenovus-scotland.org.uk. A hard copy should also be sent to TENOVUS SCOTLAND, At Royal College of Physicians and Surgeons of Glasgow, 232-242 St Vincent Street, Glasgow G2 5RJ.

A citation of not more than 500 words would be appropriate and we would be grateful if you could also provide a brief Curriculum Vitae for each nominee, a paragraph stating the nature and significance of the scientific contribution and a list of relevant publications.
