| 1 | General | General | The Royal College of Physicians and Surgeons of Glasgow although based in Glasgow represents Fellows and Members throughout the United Kingdom. While NICE has a remit for England, many of the recommendations are applicable to all devolved nations including Scotland. They should be considered by the relevant Ministers of the devolved governments. The College welcomes this draft Scope on Thyroid Cancer: Assessment and management. Although an uncommon cancer, if it is assessed and managed correctly, it carries a good prognosis. The College considers this review timely and appropriate. It considers that the scope covers all relevant areas and factors. |
