ISFE Part B Examinations Spring 2022

Following the recent meeting of the Specialty Fellowship Examinations Executive (SFEE), the Colleges have made the decision to return to face to face examining for the ISFE Part B examinations due to be held in April and May 2022.

In order to reduce travel and minimize the carbon footprint of the examinations, all diets of Part B in Spring 2022 will be held in Glasgow. Candidates will be advised of the exact venues once their exam programme is confirmed.

We will continue to monitor the situation in relation to COVID-19 and the Omicron variant over the coming weeks. Should Government guidelines and restrictions require it, it may be necessary for the Colleges to return to online delivery to allow the examinations to proceed. If this is the case, a decision will be made, and candidates notified a minimum of 6 week prior to the examination date.
