

ROYAL COLLEGE OF  
PHYSICIANS AND  
SURGEONS OF GLASGOW

### **FRCS OPHTHALMOLOGY PART 3**

The College has been investigating ways to deliver the FRCS Ophthalmology Part 3 examination which would not be limited by COVID-19 restrictions and as such, are working on ways to deliver this exam remotely as an online assessment.

We anticipate holding an examination in January 2021; however, this will only be open to candidates whose examination places were cancelled due to COVID-19. We will contact these candidates directly with further information as soon as we have finalised all details. Once these candidates have been accommodated we will then be in a position to open the application process to other candidates. We have no confirmed dates as yet for further diets.

Please do not contact the College to seek further information as we are unable to provide any additional details at this time. We will ensure that all updates are made freely available to everyone at the earliest opportunity
